Institutions begin to make offers early in the year prior to the year of entry. It is in your best interest to submit your valid request as soon as possible. 19. You will receive an SMS, a letter (whether by email, fax or mail) to inform you of any offer you have made an institution to which you have applied. Try as best as possible to have an email address to which we can send offer letters as institutions often have a cutting date to receive from the applicant's confirmation of acceptance of an offer. If the offer is not accepted within the specified time limit, the institution reserves the right to withdraw the offer. 20. Offers of study can be withdrawn if: • You do not - within the period stipulated by the institution - tell the institution you want to accept the offer or; • Conditions of the offer are not met; and/or • The institution discovers that you have provided false information in your application, for example, has not stated that you have previously studied in that or other institution. 21. You will only receive an email or SMS to inform you that you have not succeeded in any of the program options you requested. 22. Applicants must apply and pay on or prior to published closing dates. Applications received after these dates will be considered as late applications and each institution has its own rules and procedures on how to deal with requests received after the closing date. 23. If, after you have applied, you want to change your program qualifications/selection, you can complete a Mente Request Form (COM) and choose different grades/programs. These forms can be downloaded from our website or requested from our Call Center. 24.
